Fukuoka Venture Market

Fukuoka Venture Market hosts a 'Monthly Market' meeting where start-up companies can present business plans to potential partners and investors. It also arranges twice yearly exhibitions where information can be exchanged between business partners and investors.

- Approximately 20 companies present business plans each month
- More than 2,000 companies worldwide have taken part
- Approx 70% of companies which have presented their business plans have signed contracts with investors or partners or are presently at the negotiating stage

Fukuoka International Business Association

Fukuoka International Business Association (FIBA) promotes business, academic and government ties between foreign organizations within Fukuoka Prefecture, as well as supporting Japanese companies interested in expanding business overseas. The association provides a forum where the latest business information and topics can be shared in a timely manner.

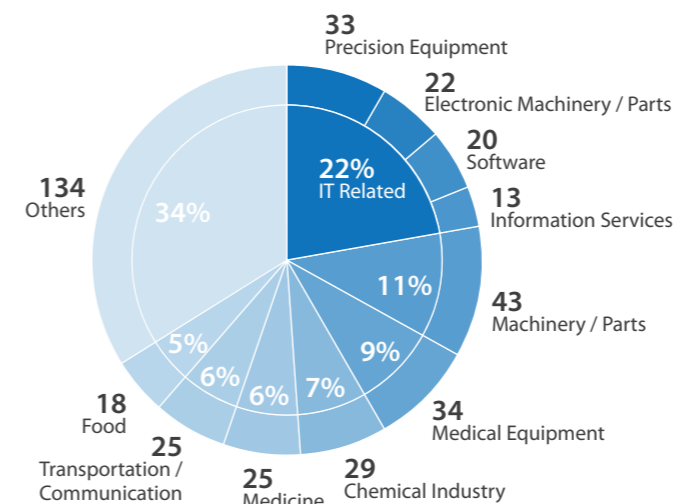

FIBA social events are held several times a year

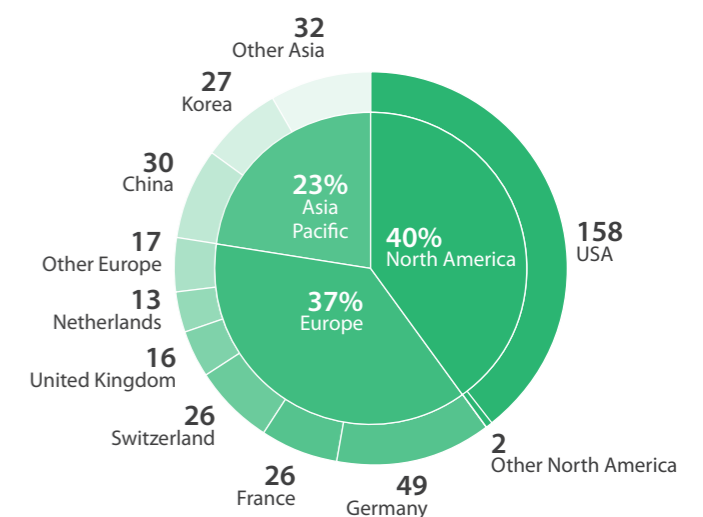

About 400 Foreign Companies in Fukuoka (excluding retail)

As of March 2012 there were 396 foreign capitalized businesses based in Fukuoka Prefecture.
